

## Application for Graduate Credit for an Undergraduate Course

Undergraduate 300- or 400-level courses may be used in major or minor programs if:

1. The course is designated as approved for credit by the Graduate Committee and
2. The course is designated as eligible for graduate credit in the Graduate Catalog

### Course Information

Course Title

Department

Credits

Number

Catalog Description of the Course:

Approval Status:  New Course  Previously Approved Course

### Rationale

How would this course meet the learning objectives of the graduate program?

How are undergraduate courses currently utilized in developing your graduate programs of study?

---

What would distinguish the expectations for graduate students from those for undergraduate students in this course?

Are there special considerations/conditions that apply in determining the designation given to this course or graduate program?

---
